Servant Groups of Mennonite Church of the Servant

TRANSFORMATION Servant Group will focus on spiritual discernment—learning about discernment through the book "in Tune With God," by Sally Weaver Glick, and through Bible study, as well as practicing discernment in issues in our lives. We will begin each meeting with worship and prayer, including personal sharing, and be open to teaching the art of spiritual discernment to others in the church and/or offer ourselves for clearness meetings with others. Our name, "Transformation," comes from Romans 12:1-2, which says that transformation (not being conformed to the world) is the key to discerning the will of God. Contact Lois Barrett at 264-3686 for information concerning August meeting dates, time, and location.

FAITH ISSUES Reading Group The "Borg sisters" meet on alternate Saturdays in August from 4-5 p.m. They are currently discussing Borg's "Reading the Bible Again for the First Time." All women who want to nurture their faith through intentional, focused discussion of faith issues are invited to join us. Call Vangie Truex at 263-0204 for more information and specific meeting dates.

SHALOM Servant Group will meet on Wednesday, August 8 from 7:30-9:00 P.M. at Jeanette Stucky's home, 5204 Plaza Lane. This will be a planning meeting for the coming six months. Several have been given invitation to meet with this servant group to discuss format and agenda. You are welcome to join for this meeting with out committing to be a part of the group. Contact Pat Cameron (262-2644) for more information.-----

MCS Website

Our church has a new website at
www.mcswichita.net

<<http://www.mcswichita.net>>. It has eleven basic pages: Welcome; About Us; Worship; Servant Groups; Calendar; Newsletters; Sermons; Teaching; Links; and Contact Us. The members page is password protected because it includes our monthly directory and will eventually include pictures of us. Get your username and password from Pastor Jerry.

The website will be expanded greatly over the coming months. At the moment, it has one video, one sermon, eleven teaching articles, and the July 2007 directory. In the future I hope to have more provocative videos, teaching videos, audio sermons, more written sermons and article, pictures, art poems, and more. If you would like to submit poetry, articles, pictures, art, or whatever you would like, let me know and I will upload it to the members section.

Here are the technical details: Our website is hosted by Site Ground at
www.siteground.com

<<http://www.siteground.com/>>. Our billing cycle is yearly and began on July 21, 2007. We paid \$83.40 for the entire year, which is equivalent to \$6.95/month, which includes a domain name
(www.mcswichita.net)

<<http://www.mcswichita.net/>>) and 500 gigabytes of space (yes, 500 GB). By the way, that is dirt cheap! Our website was designed and created by Jerry Truex, using Microsoft Front Page 2003.

*Thanks,
Jerry*

HIROSHIMA DAY

MONDAY, AUGUST 6

This day, 62 years ago, was the first time a nuclear weapon was used in war!

More than 100,000 persons died instantly when the United States exploded an atomic bomb over Hiroshima, Japan 50,000 were killed three days later in Nagasaki, when a second bomb was exploded. Tens of thousand in both cities died slowly from radiation poisoning.

This has become a day to remember what happened to the people in those two cities and develop the resolve to see that such weapons are never used again.

FROM THE PAST

From August 1987's MCS Newsletter

• Congratulations to Pat Cameron and Geneva Hershberger, who were to be married July 25 in Newton.

- Huang Tswei Ying and Greg Suderman are in Taiwan during August visiting Tswei Ying's family and friends.
- Paul and Cindy Kauffman Zehr with Joel and Nathan will have attended the family Camp at Rocky Mountain Mennonite Camp.
- Kelly Hayes trip to Mexico ran into snags so he will not go. However, he will be flying to Alaska.
- A whole-house fan is being installed at the Voluntary Service Unit house, to reduce the cost of cooling.
- The August 23 Gathering for worship will follow an open worship format. Come ready to listen quietly to the Spirit and to share what the Spirit is saying to you through a word, a song, or a prayer.

DID YOU KNOW

One major cause of poverty in the U.S. is the erosion of the minimum wage. In the 1950s and 1960s, the federal minimum wage was equal to about half of the average wage for non-supervisory workers. Through the 1970s, a worker with a full-time minimum wage job could still support a family of three above the poverty line. Below are some statements concerning poverty in the U.S.

- 65% of poor children are in families with at least one working parent.
 - One quarter of U.S. jobs pay too little to keep a family of four out of poverty.
 - If your income is below the poverty line in the U.S., you are most likely to be White.
 - American Indian or Alaskan Native ethnic groups have the highest percentage of people living in poverty.
 - In 2005, 37 million people were officially considered "poor." 15 million of these people were living in extreme poverty - with incomes below half of the poverty threshold.
 - 50% of elderly people in the U.S. would be poor if they didn't receive Social Security benefits.
 - 10% of elderly people in the U.S. are poor, even though they receive Social Security benefits.
 - At the 350 largest public companies, the average CEO total direct compensation was \$11.6 million in 2005. It takes 2 hours for the average CEO to earn the annual pay of a full-time minimum age worker.
